Saraswat Vidyalaya's Sridora Caculo college of Commerce and Management Studies

Activities:

Green Club:

Green club in association with Dept. of Economics, of this college organised a visit to Dr. Malik's Farm, Hasapur on 04.11.2022. The visit was organized under the guidance of Vice Principal Professor Sharmila Borkar. 17 students along with 4 teachers visited the farm.

Bus (Balrath) departed from college at 11.15am and reached destination at 12.10 noon and back to college at 5.10pm Mr. Chaitanya Malik welcomed the students to his farm. Mr. Chaitanya, a software engineer and his wife being an Archeologist makes use of their academic knowledge to maintain the farm.

The farm visit encompasses visit to

1. Gaushala: Mr. Chaitanya gave piece of jaggary to students to feed cows in Goshala. He believes that when cow licks human body it relieves human being from all their

sins. Mr. Chaitanya explained in details about the Gir Cows and his automated Gaushala. He claims that his Gaushala is the first automated Gaushala in the state of Goa. He explained students about the cattle fodder used to increase milk production. He also showed us the automated drinking water arrangement for cattle's which never get empty. He used his physics knowledge to innovate. He explained the process of preparation of 'jeevamrut'(prepared of animal waste) used for plants to grow.

2. Bio Gas: He showed us underground Bio Gas plant and explained its functioning. The Biogas generated in Gaushala is used for cooking and lighting by his employees in Gaushala.

3. Milk Cooling and Packing: Mr. Malik also showed student the milk cooling plant installed at Gaushala. Dr. Maliks Milks is sold in different parts of Goa, such as Mapusa, Panaji, Porvorim etc.

4. Nature Trail: Farm / Nature trail included visit to farm and information about the different plants and its medicinal use. It included a discussion about sustainable development and co-existing with the nature. He informed students also about the economic benefits.

A visit to Dr. Maliks farm was an experiential learning and an enlightening experience to students wherein students witness a highly qualified youth venturing into a farm business and working hard for sustainable development.

EDITORIAL

This issue of **SARASWAT** is a humble attempt at filling the void that has been created by the absence of student-run newsletters in most colleges.

While this issue has largely been born out of the Library, we are open to submissions from all students, Teachers and well wishers.

We hope that subsequent issues will strike up numerous discussions and bring students of various departments closer.

Please email your articles, stories, poems, events, creative ideas, and advertisements to **newsletter@caculocollege.ac.in**. We request you to restrict longer articles to 350-400 words. In case you have any comments or queries related to this issue, please email them to us. Hope to hear from you!
